

CONQUER THE WORLD WITH SGI

Sou. Sushila Danchand Ghodawat Charitable Trust's  
**Sanjay Ghodawat International School**

## Our Logo

Sanjay Ghodawat Group of Institutions has a remarkable logo with a shield bearing five stars and the symbol of the Sun. The logo has an aura of excellence and richness in its presentation. The shield stands for the defence of great moral force that Nature contains in it. The five uniform stars on the top stand for commitment, excellence, innovation, dynamism and morality. In the middle, the acronym SGI stands for the name of the Institution. The symbol of the Sun portrays the supremacy of the institution in educational field like the Sun in our planetary system. The red color expresses sacrifice, dedication and devotion that the institution has towards the society in providing the best education for the betterment of the society. The white background suggests the spiritual strength on which the institution stands.

## PRINCIPAL'S MESSAGE

Welcome to Sanjay Ghodawat International school. A school where dedicated teachers transform the students into a learning community by creating love for learning. We create a social atmosphere at school where courtesy, kindness, industriousness and ambitions are the hallmarks. Our school has completed 7th year of its journey. During this period of dynamic change we have established full fledged Cambridge school from Grade I to IGCSE, AS and A Level with 245 students pursuing Cambridge education, UK. In Sanjay Ghodawat International school CBSE section there are 3000 students studying from Grade I to Grade XII under Boarding & Day-Boarding categories.

Sanjay Ghodawat International School has been upgraded to higher secondary level, affiliated to Central Board of Secondary Education, New Delhi offering Science and Commerce stream to provide quality education at the higher secondary level. From 2012 we have witnessed 3 batches of students getting graduated from the school with outstanding results. The result has been consistently very good till the year 2015-16. We had 77 students passing with 10 CGPA and the lowest being 75%. In a short period of its existence, Sanjay Ghodawat International School has already established itself country wide as a quality educational institution. Our Cambridge students have made us proud by getting A\* in 8 subjects in Grade X IGCSE examination.

Guided by our school Motto we develop a strong partnership with our parents to help each student reach his or her full potential. Our emphasis is on the education of the whole person. Our 1st batch of Class XII students have made a mark by getting placed in the universities of repute in India and abroad.

Our school has been awarded with many awards and accolades in its short journey. SGI school has been ranked No.2 in Maharashtra and 27th in India by Education World Magazine. The School has received International school award by British Council, Green School award by Educational World, D. G school award by Digital Magazine, Leader speak award by Leader Speak Magazine, Best school award by Brain feed magazine, Flag ship award by Global Confederation of India etc.

On behalf of administration and faculty, I thank you for your interest in Sanjay Ghodawat International School and sincerely trust this prospectus will give you a comprehensive overview of who we are, what we believe and what we aim to achieve.

Education is the most powerful weapon which you can use to change the world.

**Mr. Nelson Mandela**

We extend a warm welcome to SGI.

Sanjay Ghodawat International School is a unique school in India, which delivers complete range of scholastic, non scholastic activities through International and Indian curriculum. SGI is affiliated to Central Board of Secondary Education, New Delhi and Cambridge International Examination UK. It is a coeducational school catering to the needs of the young learners of India and abroad. The medium of instruction from Nursery to Std XII is English.

The school is situated away from the hustle and bustle of the city in a picturesque environment which provides a clean and conducive atmosphere for the children to learn. SGI insists on learning through experience, interaction and inquisitiveness. The school utilizes the leadership management which is governed by Sou. Sushila Dhanchand Trust headed by Mr. Sanjay Ghodawat, an eminent Industrialist and visionary leader.

## SCHOOL PROFILE

# VISION MISSION OUR AIM

## Our Aim

The school provides education that is suited to the needs of individual learners. Every faculty member is committed to put his best efforts in enabling the young learners to achieve their goals with perfection. Our limit is the unfathomable sky.

## Vision

Sanjay Ghodawat International school is a premier professionally managed institution that provides an environment which nurtures excellence and holistic growth. It prepares students for a knowledge society and global economy by developing lifelong learning skills.

## Mission

Sanjay Ghodawat International School aims at providing an exciting all round education to create global citizens through traditional values of love, empathy, respect and discipline.

It enables the students

1. To develop his/her academic, physical, emotional, spiritual and social aspects to his/ her potential.
2. To develop international mindedness along with valuing local traditions and culture.
3. To widen their intellectual horizons through activities in arts, sciences and co-curricular and extracurricular activities.

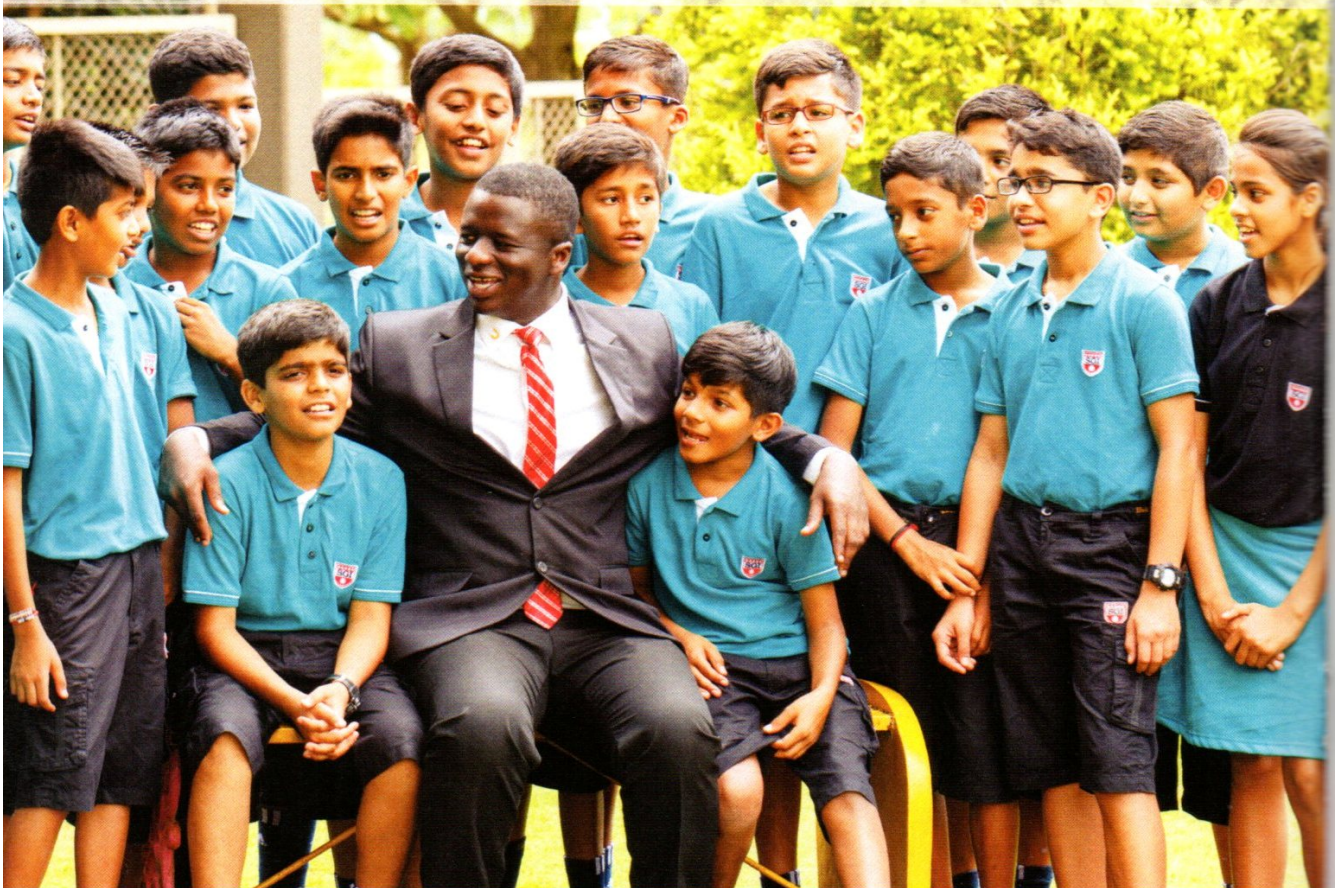

We aim at providing a dynamic environment where each student is supported to become critical and compassionate thinker and dedicated learner for life.

Our curriculum is designed to make education a meaningful and purposeful process. Students develop critical thinking, curiosity and lasting passion for learning through the curriculum. Learners at SGI are allowed to explore, innovate and inculcate leadership qualities that transcend boundaries. The school has CBSE curriculum from Nursery to Grade XII and Cambridge Curriculum from Grade I to IGCSE, AS and A Level which is equivalent to Class XII of Indian college boards.

## OUR CURRICULUM

### Methodology

Our methodology is progressive and child-centered. Teachers use integrated and interactive approach of understanding by the learners which is one of the fundamental requirements in the school. Teachers' teaching methodologies are based on hands on experience and research. The role of the teachers is more as a facilitator than a teacher. Here the students are encouraged to use their own initiative and to develop into independent learners. Holistic education focuses on the best possible development of the person, encouraging individuals to become the very best or finest who can enable themselves to reach their goals. SGI students need to begin to understand their place in a global world.

# OUR PRIMARY SCHOOL

## 6 to 11 YEARS CLASSES I to V

Students from Grade I to V pursue their studies through CBSE and Cambridge curriculum under the guidance of highly qualified and experienced teachers. Participation in extra-curricular activities ensures that academics are balanced with variety of leisure pursuits. Special assemblies, special days, special week are observed to ensure that scholastic and non scholastic areas are highlighted. The school follows the pattern of assessment through formative and summative assessment divided into 4 formative and 2 summative assessments carried on throughout the year.

## MIDDLE & HIGH SCHOOL

### CLASSES VI to X

For these classes a holistic curriculum is designed adhering to CBSE and Cambridge norms. At this stage the curriculum encourages the students to question, evaluate and to think critically and independently. Holistic education ensures that teachers communicate and coordinate learning activities across and within academic disciplines. Special events and activities highlight cross-curricular links established through interaction. Teachers focus on developing intercultural awareness, academic excellence and communication skills. The Cambridge international curriculum makes the students to explore, reflect, innovate and become responsible, confident and engaged. It also helps in-depth understanding of the subjects which in turn helps in developing the problem solving ability among the learners. Cambridge learners develop the skills to think critically, work independently and solve problems.

### Our Team

The institution is equipped with highly qualified, talented and experienced faculty members who readily take up the challenges under the efficient leadership of Mrs. Sasmita Mohanty, a legendary figure in revolutionizing education. The institution leaves no stone unturned to mould the young scholars into future torch bearers of our beloved nation.

### The Academic Year

The school runs on a full time basis for approximately 210 precious days divided into two terms. The school calendar highlights specific dates of the year for conducting innumerable curricular as well as co-curricular activities, assessments and organizing several celebrations and observations.

### Membership Sanjay Ghodawat International

**School** is a member of International Schools Association, Mumbai (MISA), member of TAISI (The Association of International Schools of India, Bangalore). The member of Sahodaya Complex Kolhapur. The school is also a member of AFS Intercultural Programs India and member of International Award for Young People organization (IAYP), Scouts and Guides.

## Our Facilities

Sanjay Ghodawat International School is situated over an area of approximately one hundred fifty acres of lush green land at the foot of a chain of hills. It provides an extremely beautiful and serene atmosphere, apt to impart quality education among the young learners. The learners find themselves surrounded with opportunities with world class infrastructure.

SGI is designed with the purpose to offer a wide choice of activities in and out of the school with excellent facilities to support the learning process. Facilities include sports stadium, auditorium, multipurpose hall, libraries, labs, swimming pool, dance and theatre room, Art room, medical room, computer centers, music rooms, canteens and children play area.
